Introduction

About this book:

This packet contains:

- a personal word wall to go inside a student binder
- a portable file-folder word wall (optional background: colour or white)
- large classroom word wall cards (optional background: colour or white)
- word wall worksheets
- blank file folder and word wall cards for you to add your own words

Classroom word walls are a fantastic tool for learning new vocabulary. It is also beneficial to equip each child with a copy of their own so that can add their own words to it, and keep it when the "seasonal" words are removed from the classroom wall. The file-folder word wall can be kept in your word work/writing center, while the personal word wall is something children can keep with them at their desks or take home when needed for homework

Directions for use:

Personal word wall

Print the pages included the personal word wall section, put them in plastic sleeves and then into student binders. Alternatively, the pages can be glued into a notebook. If you would like your students to order the words alphabetically, have them cut the words and paste them accordingly into their books. Blank squares have been included so that students may add their own words.

File-folder portable word wall

Print the cover page and paste to the front of the folder. Select the Word Wall set you would like to use (coloured or white background), print and paste to the middle pages of the folder. Print the Word Work Task page and glue to the back of the folder - please note this should only be used if you intend on using the worksheets I have provided.

Tip: If you do not wish to use 2 file-folders, then you may paste 3 pages on one side and 3 on the other ensuring you only glue the top end so that children may flip the pages upwards.

Classroom word wall cards

Print your desired set, with or without background, along with the title page. Cut out the vocabulary cards you wish to use and laminate them for durability. Display them on your classroom wall.

Happy Teaching :)

Words included:

*this unit contains some duplicate pages to accommodate US and Australian spelling and seasons.
